Election day baby! The Reagan, Kennedy and Mao onesies

Babesta.com

The Poop is non-partisan -- but we're all in favor of babies looking stylish on election day. These T-shirts and onesies for babies come from Babesta.com, which according to their Web site provides "cool threads and more for trendsetting tots." (Translation: "Our clothing is ridiculously expensive.")

Still, it might be worth the \$19.95 plus shipping and handling to see the looks on your precinct workers' faces when your baby enters his polling place with a [Ronald Reagan onesy](#).

Especially if you live in Berkeley.
