## Description

space age meets the winter of right now. silver shine blings out this amazing hooded down jacket for boys & girls. a generous hood, asymmetrical zip and hi-lo hem give it outsize style, while our smiley-smirk comes sprayed on the back in black. quilted for dope shaping, it's equipped to keep the kid warm down to -10°C (14°F), with a cozy thumbhole at the ribbed cuff for a fingerless glove effect. no worries about overheating though—we've got shoulder straps inside so kids can take it off and wear it like a backpack so they don't lose this killer piece.
