Tired Of Dirty Cup Pile-Ups? So Were We!

We were tired of the dirty cups that accumulated throughout the day with little ones. As designers, we knew we could do better. That's why we created PhillUp.

PhillUp is a simple, beautiful and highly functional kid cup that hangs up on your fridge. Now kids and friends can help themselves. Together we can strip away the clutter and focus on what matters most... our families!

Doubles as a Rinse + Play cup!

Cups that look good and make rinsing fun!

Does your child hate to have their hair rinsed for shampoo time? This might help to distract your child - with fun and color! Chances are, even if you give your child the fanciest bath toys, they'll end up having the most fun with a simple cup as they watch water pour out of the cup in fascination.

Rinse and Play is a simple, beautiful and highly functional kid cup that can hang up with the nub on the wall of the bathtub. Together we can strip away the clutter and focus on what matters most... our families!
